About Wincrest Worldwide

At **Wincrest Worldwide Pvt. Ltd.**, we are dedicated to delivering high-quality, sustainably produced paper and packaging products to global markets. Our strength lies in our deep industry knowledge, partnerships with leading Indian mills, and commitment to ethical trade. We serve diverse sectors — from printing and publishing to food packaging and consumer goods — with products that meet international standards of performance, sustainability, and reliability.

Uncoated Paper

Ideal for: Books, notebooks, writing pads, envelopes, stationery

Features:

- Smooth surface & high opacity
- Excellent for offset & digital printing
- Matte finish for better readability
- Made from virgin or recycled pulp
- 100% recyclable & eco-friendly

Available GSM: 50–120

Finish Options: Natural white / Cream / Off-white

Coated Paper & Paperboard

Ideal for: Brochures, magazines, luxury cartons, labels, greeting cards

Features:

- Gloss, matte & silk finish options
- Sharp image reproduction & vibrant colours
- High stiffness and strength
- Consistent surface quality

Available GSM: 90–400

Applications: Printing, packaging, promotional materials
